Company Profile

Strategy • Organisation • People

Organisation

BPC has a blend of both full time consultants and Associate Consultants who provide flawless consulting to meet and exceed our client needs and expectations. The consulting team has an edge in both theory and application with deep experience, skills and competencies in the core areas. BPC is fast expanding in the East, Central and Southern Africa region with plans to become truly global.

Our Vision

We deliver best value that business can find through partnering in Strategy, Organisation and People.

Our Mission

We deliver this through:-

- Innovative approach
- Having unwaning hunger for best practice
- Creating niche partnerships with businesses
- Creating meaningful networks for insights and deep knowledge

The New Mandate

“The Human Resource Function has significantly changed the way it delivers value to the business.

It has become the reason for business Success!

The new HR has brought clear and individual focus to both the Transformational and Transactional roles of the HR function while facilitating greater emphasis on business partnership and solutions”

We partner to win in the following specific areas:-

People

- Leadership Integration
- Performance Management
- Graduate Trainee Resourcing
- Executive Resourcing
- Learning & ROI
- On-Line Assessment
- Career Pathing, Coaching & Mentorship
- Team Building
- Training & Conferencing

Strategy

- Sharpening & realising Organisation's Vision, Mission & Values
- Business Strategy & Transformation
- Strategy into Action
- Balanced Scorecard

Organisation

- Organisation Design & Structure
- Organisation Development & Culture
- Corporate Governance
- Job Evaluation
- Salary Surveys & Designs
- Employee Engagement Surveys
- Customer Satisfaction Surveys
- HR Systems and Applications
- HR Audit
- Service Delivery Model
